Response to Ethics Complaint 22-065 re: Oren Miller

Please be advised of the following:

1. I did set up a GoFundMe account to help offset expenses incurred for the legal defense in a criminal proceeding against me.
2. Donators can opt to have their name hidden from public view. The names are not hidden from me. There have been no anonymous donations made through this fund or in any other way.
3. The pledged donations stayed in the GoFundMe until April 12, 2022. They were not paid to me until that time.
4. I will be completing Form 6 with the names of those who donated. Form 6 is due on July 1, 2022.

Sincerely,

Oren L. Miller
