### **REQUEST FOR REJECTION OF STIPULATION**

After reading the Respondent's response to the Ethics Commission Investigator's finding, this is but another instance wherein the Respondent has been really sloppy in filing publicly required documents. Her disregard for filing factual information while also filing under penalty of perjury needs much more than another tap on the wrist, as those don't get her attention. As proof of same, I am providing some documents she has either filed erroneously or failed to file until fined.

Surely a Masters Degree graduate of the University of North Florida and now a State Representative DESIRING TO BECOME A STATE SENATOR should be able to fill out Form 6 completely and correctly. She spent 13 years as an employee of the Duval County Supervisor of Elections Office rising to the level of Deputy Supervisor of Elections. Respondent is the Ranking Democratic Member of the Public Integrity and Elections Committee and assigned to the Health & Human Services Committee. Respondent claims to have a negative net worth exceeding \$7,000 yet she has been able to pay for an attorney to represent her before the Commission on Ethics now again with her only income being the \$29,697/yr from the state.

ASK YOURSELF IF YOU BELIEVE RESPONDENT HAS FILED HER NET WORTH CORRECTLY??

**Her statement that she didn't file this document correctly under penalty of perjury is an admission of fraudulent actions and her statement that this was a scrivener's error is laughable as she has been a State Representative since 2016.**

Therefore, the undersigned Complainant disagrees with her response for the reasons listed and requests the Commission reject her Joint Stipulation Agreement and conduct a probable cause hearing where all these facts will be heard. This should not be accepted from someone of her academic credentials and it should not go unpunished with a wrist slap fine.

**To this day, Respondent has not been truthful in documenting her financial condition.**

**Find Probable Cause and assess the fine which should be levied for the misdeeds of violating the Form 6 Oath containing her notarized signature that everything was true and correct.**

Very Sincerely yours,

David Hodges, P.I., FBCI, President
