## Public Records Exemption Request

Florida law provides that an agency shall treat social security numbers, bank account numbers, and debit, charge, and credit card numbers as automatically exempt from public disclosure. In addition, Florida law allows eligible persons to submit a written and notarized request that a non-employing agency maintain as exempt from public disclosure certain identification and/or location information contained in records within the agency's custody.

The person entitled to the additional exemptions must submit a written and notarized request directly to this agency to maintain the exemption to the records in our custody. § 119.071(4)(d)3., F.S. You are not required to use this form; however doing so will help us keep your information confidential. Please return this completed form or a written and notarized request to: Florida Commission on Ethics, P.O. Drawer 15709, Tallahassee, Florida 32317.
